St. Andrews Visits the Patron Saint of Estonia

After celebrating Wallachian Heroes in Transylvania, and slaking his thirst at a Mead Hall, our own St Andrew travels south across the Baltic Sea to help Estonian Patron Saint George prepare for his Festival days in the spring. Join us at the Estonia House in Middle Island as St Andrew Visits St George. We will have our annual Heavy Championship, and activities in the gentler Arts & Sciences as they do in the far off reaches of Estonia. After the Fall Court of Their Excellencies, Baroness Suzanne Nueber de Londres and Baron David Vazquez de Valencia, there will be a marvelous feast Featuring the Flavors of Estonia.

The HEAVY LIST CHAMPIONSHIP TOURNEY at this year's St. Andrew event is sure to please fighters and spectators alike!

Their Excellencies have charged their Heavy List Champion, Tycho Mikkelsen, with providing martial entertainment for the populace.

To that end, there shall be a brisk day of tournaments where the combatants shall be tested in four different weapon forms – mace and shield, two-handed sword, maul, and “sword and other list-legal one-handed implement”.

The structure of the day's events shall be formed so as to best accommodate the number of fighters who come to demonstrate their prowess and courtesy.

Maces, polearms, great weapons, and gauntlets shall be available on loan for all authorized fighters who wish to participate.

Regardless of the event's format, there shall be prizes!

Prizes shall be won by the fighters who demonstrate the greatest prowess in each of the four weapon forms.

In addition, there shall be four other prizes for winning the following titles of the day– “Gallery's Darling”, “The Sojourner”, “Exemplar of Franchise”, and “Prince of Possums”. Finally, the native of An Dubhaigeainn who best distinguishes themselves by their prowess and comportment during the day's fighting shall be honored as the new Heavy List Champion of the Barony of An Dubhaigeainn.

Rarely used charges in the SCA.

There is a spreadsheet of items that are allowed, but very few people have registered them. There are 42 items that have only been used by one person! Items like a drawbridge, a frying pan, or a wheelbarrow are on that list.

There are more items on this spreadsheet that have only been used between 2 and 35 times in society. Considering how many devices are registered each month, 35 times is not a lot! Look through the list, you might find an interesting item that you had never thought to put on your heraldry before.

From the Coronet

Unto the populace of An Dubhaigeainn, do your Baron and Baroness send greetings!

Many of us have completed our yearly pilgrimage to the great Pennsic wars; many made it through unscathed; and a few made it through with honors.

We would like to congratulate the newest local Court Baron and Baroness, to their Excellencies Hassan abdul Rasshid al-Turki and Adeth MacGregor- many Vivats.

We also would like to thank all who camped with the Barony and pitched in to lighten the work load. This year's Baronial Ice Cream Social (due to an over estimation of attendees, not a bad thing) took to the road. We brought our extras up to East Kingdom Court and cooled the masses that awaited a delayed court. Many were very grateful.

Congratulations go out to Genevieve Velleman and Travis, our new Champion of Archery and Thrown Weapons. Thank you to Lord Eanraig the Bonesetter and Lord Logan de Londres for their past year of service.

Our next event will be St Andrew's on November 14th, but there will be lots of workshops and practices between now and then, so please take advantage where you can.

*Yours in Service,
David and Suzanne*
