From the Baronial Historian

Greetings...

As you may have noticed in the past year, we have been publishing the Baronial Histories in installment - there are many years still to cover to catch up to the present.

If while reading, you notice an error, or you think something is missing or incomplete please send an email to me (see officer masthead for historian email address).

I am currently scouring thru old viaducts and Baronial OP to create the back bone. I will be going back and comparing to old Kingdom court reports (is they are still on line) and adding in more information.

Dates that I am looking for: births, deaths, marriages etc.

I hope to have this whole project up to date and complete by the Baronial 30 year anniversary.

YIS,
Baroness Mistress Suzanne Neuber de Londres

If you are interested in learning more about the deputy chronicler position please contact Lily Morgaine at chronicler@andub.eastkingdom.org

Member Highlight

Name: Raud the Meadstealer (mka Matthew McCoy)

How did you learn about the SCA?

Through my friend Muiredach

What about it attracted you?

Just about everything that goes on in the society; the fighting, the drinking, camaraderie, drinking, crafting, drinking, and feeling at ease with people who have the same interests. The mead isn't bad either.

How long have you been part of the SCA?

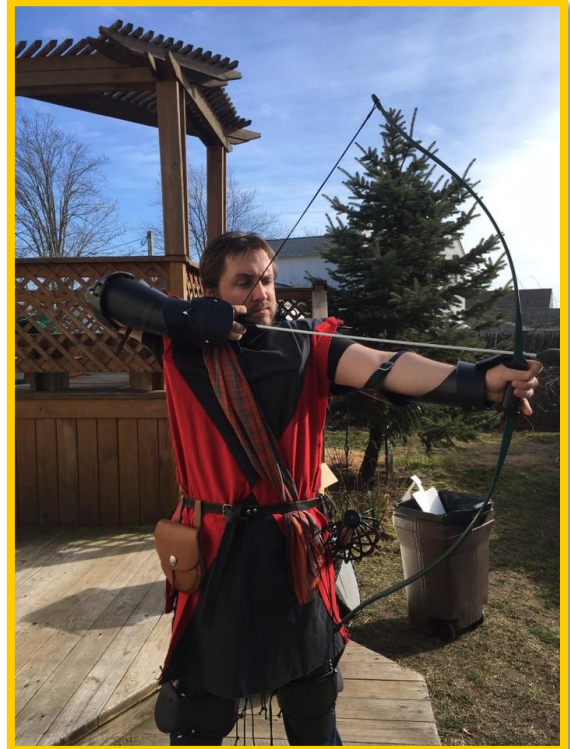

Approximately five years

What is your SCA persona ?

Viking settler/raider in Limerick, Ireland (about 840 AD).

What activities do you participate in?

Bardic, combat archer, target archery, beginning to dabble A&S.

in

What has been your favorite event?

Pennsic without a doubt; every time I got it feels like I'm finally home, and every time I miss it I am incurably melancholy.

What has been your favorite moment?

My first field battle doing combat archery, I have never had so much fun in my life; the rush, the heat of battle, that feeling of satisfaction and exhaustion at the same time when the dust settled, and it made the beer taste all that much more sweet.

What would say are your greatest accomplishments in the SCA thus far?

I am proud and humbled to be a two-time barony bardic champion, and still haven't found anyone in the society who can finish a beer faster than me!

What future goals do you have in the SCA?

To enlist more combat archers in to battles, sample as many brews in the society as I can, improve my bardic skills, and never stop having fun in the SCA.

Barony has its first designated Pennsic encampment, which came together quite nicely. It was the first time for a number of things and all of us seemed to have enjoyed ourselves.. The Barony host Runnymede Dinner to the Landed Barons & Baroness's of the East Kingdom. All those who attended appeared to be quite impressed and left very satisfied. It was a great opportunity to show off the talents of the Barony.

Greetings from the Coronet!

The warm summer months are finally here, we think, and we are looking forward to all the great events coming up. First we would like to thank everyone who helped set up, fight and run displays for the Longwood demo. We had a fun and successful day with a lot of happy and interested people stopping by the tent.

We would like to thank Feargus Mac Callin for stepping in as interim seneschal during Lady Vetra's leave of absence until she is able to return.

Coming up this month we have the Mini-Makers Faire/demo on June 8th in Port Jefferson and we hope to see many of you there for another great demo.

On June 15th we hope everyone will join us at Potted Arms back at the Unitarian Church in Huntington to enjoy the day and watch the selection of our new Baronial Fencing Champion.

The summer months are always so busy for us all as we gear up for Pennsic, so as we prepare

We are as ever, Yours in Service to the Dream!

Sorcha and Titus

Baroness and Prefect of An Dubhaigeainn
