Baronial Policy Changes

Below is the full text of the changes to Baronial Policy, which were passed at the July 10th Baronial Business Meeting.

1) Definition of a Commons:

“Commons - A social meeting, held for the purpose of fostering the local SCA Community between local events. By custom Commons are normally held in garb and without a fee being collected by the hosting branch.”

2) Section II.E.1.d (Baronial Officers->Termination->Term of Office):

“d. The following officer terms expire at the following meetings but may be reapplied for if the person holding the office is eligible and wishes to continue:

i. Seneschal, and Knight Marshal: 1st meeting in the first half of odd years, CE.

ii. Exchequer, Minister of Arts & Sciences: 1st meeting in the second half of odd years CE.

iii. Chatelaine, Minister of Lists: 1st meeting in the first half of even years CE.

iv. Herald and Chronicler: 1st meeting in the second half of even years CE.”

Below is the full text of the proposed changes to Baronial Policy, to be voted on at the September 4th Baronial Business Meeting.

Proposed Policy Changes:

The current fencing fund is relegated to only paying for the site on which practices are held. As this fund is no longer necessary the Barony is planning on moving these funds to the general Baronial fund.

However the income from our Auctions at "Potted" Arms & Fancy "Faire" will be added to a new general use fencing Fund. These changes will be voted on at the September business meeting. If you have any concern regard this change please contact the financial committee before that meeting, the Baron, Baroness, Exchequer, and Seneschal.

Greetings unto the populace from your new Chronicler Alissenda d' Avinhon and Deputy Chronicler C. Eqvitivs Hilarivs. Yes, it has taken two of us to step into the shoes vacated by our last Chronicler, Joe Mugnai. We wish to thank him for holding our hands through the transition and hope that we may both serve the Barony as ably as he has.

FROM THE CHRONICLER

Hilarivs is planning on taking on the job of collecting articles and serving as content editor, while Alissenda will concentrate on the technical aspects of layout and email distribution.

Many of you are already familiar with Hilarivs as he has been attending heavy list practices, and events locally for over two years now. Alissenda is a bit more recent addition to the Barony, having joined just before Pennsic last year. We are both very optimistic about working

on the Viaduct and hope that the populace will assist us by providing timely information about practices, activities and any other items that might be of interest to the Barony. Don't be shy, we'd love to hear about your ideas! You can reach Hilarivs (Anthony Cavalli) at lordofstuff12@gmail.com or Alissenda (Linda Davies) at poetryqn@optonline.net.

In service to the Barony, we remain your humble scribblers,

Alissenda d'Avinhon

Schlagers and Lagers, Arrows and Ales

Saturday, September 20th, 2008
Hosted by the Barony of An Dubhaigeainn

Fighting, archery, brews and good food! What more could you want from an event?

The Barony of AnDubhaigainn welcomes all good gentles to experience the varied talents of our populace, Especially our greatest talents; fighting and brewing (drinking takes a close third).

For the archers there will be a tournament for Baronial Archery Champion, all are welcome to participate whether declared for champion or not.

For the Rapier fighters there will be a Tavern Tournament to test that all-important skill, Bar Brawling. There will also be a Dueling Tournament throughout the day where you can challenge other fencers to duels using as much period style (seconds, insults, challenges, betting, etc.) as you like. Thirdly, since every authorized fencer in our Barony carries a full card, there will be a progressive weapons tourney, single sword default because all are welcome.

There will be a light day board served throughout the day, and a hearty eve board at night so that all appetites will be appeased. Rather than a sit down feast, the evening meal will be served "cocktail party" style so that there will be opportunity to peruse the many brews available for tasting.

Speaking of brews, there will be brewing competitions to wet the parched. Our good Baron Ateno will be running and in charge of judging the brewing competitions (its good to be the Baron). The categories include; most period recipe, nonalcoholic, and populous choice. That's right, we get to help! Hard suit fighters are welcome; so don't leave your armor at home. For evening entertainment, there will be a "Period Pub Song" competition, winner by populous choice.

Directions:

- From Long Island Expressway, take Exit 49N (Route 110), or
- From Northern State Parkway, take Exit 40N (Route 110), or

 - Make left onto Main Street (Route 25A) then make first right onto Wall Street.
 - Continue on Wall Street for 3/4 mile to Southdown Road.
 - Make a left onto Southdown road and follow the signs to Browns Road.
 - There will be a stop sign at the corner of Browns Road and Southdown Road. Turn right onto Browns Road, the site is on the left shortly after the elementary school.

- Barony of An Dubhaigeainn

Greetings from Ateño & Lassar!

Welcome again to the Barony of An Dubhaigeainn. By the time you read this, "Potted" Arms & Fancy "Faire" will have passed, and you will all be thinking about Pennsic, making your final preparations. We are making such preparations ourselves. Our new Yurt is coming along well and we look forward to staying with all those that can make it to the annual event.

If there is anything you would like us to do or have addressed at Pennsic Baronial court, please let us know before hand. We plan on arriving during the middle weekend. I am told that the number of pre-registrations and camps are down by ten percent this year, but of course our block will still be well populated.

We would also like to recognize the new chroniclers Alissenda and Hilarivs for their willingness to take

over for Lord Joe. He has alot on his plate, but we are looking forward to seeing him again when he can give us some of his precious time.

We like to see all the activity, from sewing to thrown weapons in our barony. If there is a class or a subject you might be interested in learning about, please approach us so we might find a teacher to push you in the right direction.

We enjoy being your Baron and Baroness, but we need your input to make our reign worthwhile, please contact us for any matter.

In Service,

Ateño & Lassar

*Baron and Baroness
An Dubhaigeiann*
