# In-person SCA Activities in the East Kingdom canceled until April 30, 2020

March 16, 2020 by East Kingdom Gazette

Unto my dearest East Kingdom,

It is with a heavy heart that I must decree ALL in person, Eastern SCA functions are canceled until April 30th. Please note this date may change as things around us change.

Please be patient with Us and each other. I encourage all to use online meetings and get together as much as possible. The A&S initiative has many online classes as well. The webministry is 100% ready to help as needed.

You are the treasures of this fair Kingdom and it is you that is the most important part of this game. Your passions, generosity and fighting spirit is what makes Our Dream a Reality.

OCTOBER 2003

“3 Skulls / An Dub War” held at the Smithtown Brush Barn on the 11th –was a smashing success. Lord Lorenzo, as autocrat, Cian ua'Lochain as chef and House Three skulls made it quite evident that they have talents and skills. – having put on a wonderful event. The event had loads of activities and lots of great food; on of which was a n A&S completion that had 27 entries, 13 of which were from the baronial populace. Silver feathers were awarded to Marcus and Amanda of An Dubhaigeainn, Lord Dietrich von Karo, Lady Maeve of Abbydorney, Master Richard the Poor, Lady Cassandra the Invincible and Lord Nicodemus Grey.

Baronial forces conquered the 3Skull forces in the heavy list, fencing list and A&S. House 3 Skulls did prevail on the Archery files, but overall the Baronial forces exceeded House 3 Skulls in prowess.

## **How did you learn about the SCA?**

I had been exposed to the SCA at the Huntington Renaissance Fairs and I-CON at Stony Brook University in the mid to late 1980s, but did not get involved at the time. In the early 1990s, my sister noted a flier for the SCA at Dowling College while she was attending there. She brought home the information and the both of us decided to attend the Lions End business meeting at C.W. Post College. We were hooked from there on out.

## **What about it attracted you?**

The leather-working, archery, the history of armour, and the comradery were the initial attractions for me. The comradery within the SCA is still a big one for me.

## **How long have you been a part of the SCA?**

Early Since October, 1991.

## **What is your SCA persona?**

My persona lives during the late 16th century tending to the family orchards just outside of Avignon, France, until joining the Catholic League to fight against the Huguenots during the 6th and 7th civil wars (1576-1580). During his service, Jean Xavier was taken under the tutelage of an Italian Master in the Art of Défense, making him a formidable swordsman. With good fortune and skill, he survived.

Jean Xavier later returned home to the orchards and was able to expand the family lands. Shortly thereafter, he was introduced to Gianetta, the youngest daughter to a family that tended to the Queen Mother, Catherine de' Medici. It turns out that Jean Xavier had saved the life of Gianetta's father during the 7th war. Gianetta and Jean Xavier later married and had two children, Jacques and Chantal.

## **What activities do you participate in?**

Fencing, archery, leather working, pewter-casting, event steward. I hope to get back into heavy list again.

## **What has been your favorite event?**

This isn't an easy one to answer. To narrow it down, I have to say Balfar's Challenge. I get to see people from all over the kingdom there and see An Dubhaigeainn really unite there.

## What has been your favorite moment?

My favorite romantic moment was when my wife and I shared our first kiss at EK 12th Night in An Dubhaigeainn in 1993. My favorite service moments are being the event steward for EK 12th Night in An Dubhaigeainn in 2000 and the Coronation of Ôzurr and Fortune. It was the fact that everyone had come together to make these events happen. My favorite marshal moments were being elevated to the Order of the Golden Rapier at John Barley Corn, and Blackstone Raids VIII (2004). King Gaufred Kelson I had put out a call to the East Kingdom's armies to join him in defending Æthelmearc against the Midrealm. In doing so, the East Kingdom would secure an alliance with Æthelmearc for Pennsic. I traveled 14 hours through the night with Master Ateno, Baroness Lassar, Lord Peter Bog, Lord Nicodemus, and Lord Ulric Briar to arrive at the event in the morning, fought in the battles, having our King offer the use of his showers and taking him up on his offer, and then getting back on the road. What made this even more memorable, was watching Lord Peter Bog dodge arrows as they came at us.

## What would say are your greatest accomplishments in the SCA thus far?

Receiving my wife's favor, receiving a Lady of the Rose personal favor from Countess Violante, a personal token of thanks from Ôzurr and Fortune, serving on the Queen's Guard for Isabella I and Brenwen I, serving as Captain of the Guard for Brenwen II, being an event steward for EK 12th Night and the Coronation of Ôzurr and Fortune, serving as the Founding Seneschal of the Canton of Sandmörk (the former East End canton of An Dubhaigeainn), and Seneschal for An Dubhaigeainn. I am recipient of the Silvanus Doke and Order of Perseverance. I was named to the EK Rapiers Champions team for Pennsic and Kingdom Crusades. I belong to the Order of the Golden Rapier, the Order of the Silver Crescent, the Order of the Pelican, and the Order of Defense.

## What future goals do you have in the SCA?

I believe that "Anyone can have fun under ideal conditions", but it's keeping it fun under extraordinary circumstances that can be challenging. Also, I will try to continue to encourage people to participate at any level in all matters of the SCA.

## Greetings from the Coronet!

Many of you have heard by now that all in person East Kingdom activities have been cancelled. This does not mean we won't see or hear from each other in the coming weeks. Look forward to exciting online tutorials and streaming Arts & Sciences classes. If you have a class that you would like to teach or a skill that you would just like to demonstrate, reach out and offer it to people.

House Runnymede (the Household of the Landed Barons & Baronesses) has been asked to participate in a Largess Exchange, the Baronies

will be paired up and each Barony will create 12 items of Largess for the other Barony - the exchange will take place at our Pennsic Runnymede Dinner. We are paired with the Barony of Dragonship Haven [https://wiki.eastkingdom.org/index.php?title=Dragonship\\_Haven](https://wiki.eastkingdom.org/index.php?title=Dragonship_Haven) Some suggestions were as follows: items could use the Arms or colors of the Barony you are paired with, such as trim, notecards, mugs and pouches, also scroll blanks, beverages, etc. This is a great way for our artisans to shine and a way to pass the time in quarantine, please contact us if you would like to participate in this exchange or if you have any questions.

The SCA, the Kingdom and the Barony have been through a lot over the years and we will get through this as well. We as individuals can still help and support each other while maintaining social distance. Also, please wash your hands and stay safe!

We are as ever, Yours in Service to the Dream!

*Sorcha and Titus*
