Name: Brick James Beech mka Kyle Payne

How did you learn about the SCA? Through an old friend and now squire brother.

What about it attracted you? I wasn't at first. My buddy Joe came into the game store and started talking about the SCA. Everyone thought it was cool and I thought they were crazy. They all came back after trying it and convinced me to give it a go.

How long have I been part of the SCA? Mudthaw in 2013 was my first event.

What is your SCA persona? I'm working towards putting together a more cohesive Anglo-Saxon Varangian Guard persona.

What activities do you participate in? Predominantly heavy list, but I've been on 6 queen's guards (captain on one, deputy captain on another), and I dabble in a bunch of A&S (lampwork, leatherwork, metalwork, woodwork)

What has been your favorite event? Hands down Beltaines

What has been your favorite moment? A few months after I went to my first event I was at my first Pennsic and I wasn't sure if the SCA was for me yet. I watched my first unbelted champions battle and saw the heartbreak on their faces when they lost. Immediately after, I got to see an immense outpouring of love and support as Brennan got his writ for chivalry. I knew the SCA was for me at that moment.

What would say are your greatest accomplishments in the SCA thus far? I'm a court baron, OTC, and premier of the Order of the Silver Tyger. Due to Covid-19, I'm the longest serving Consort's Champion of Arms. I come from a great lineage dating back to the first duke of the east.

What future goals do you have in the SCA? I hope to be worthy of the chivalry and strive to support newcomers so the SCA can grow, especially in the under 30 demographic.

ASXLIII: During the Reign of TRM Andreas IV and Gabrielle II

APRIL 2009

A handful of Baronial members participated in the Hauppauge Middle School Medieval Day on April 24 under the coordination Suzanne Neüber de Londres

A Spring Commons was held on 4/19 in Northport at the home of Sorcha & Peter

MAY 2009

Sara Faasking (Linda Gundersen) has contributed an article on belly dancing in MAY VIADUCT

House of Three Skulls held their 25th Anniversary on 5/16 in Huntington. Lord Titus Aurelius Magnus autocrated the events and Lord Bran and Lord Taylyn van Horn provided a wonderful feast.

JUNE 2009

Potted Arms III was held on 6/6 in Huntington. The event was once again autocrated by Sorcha of Stonegraves and food prepared by Suzanne Neüber de Londres.

From the coronet: Before we welcome our newest officers, we'd like to take a moment to thank our outgoing officers for their years of selfless service. Baroness Mistress Suzanne Neuber de Londres officially stepped down as An Dubhaigeainn Herald at last month's Potted Arms event, while Sorcha of Stonegrave and Lord Methias T. Weasel stepped down at this month's Baronial Business Meeting from their positions as Exchequer and Minister of Arts and Sciences, respectively. Lucky for us, all three former officers are active within the Barony, so we should still be able to pick their brains (and their bones) for many more years to come. Outgoing officers - we thank you!

JULY 2009

You may have noticed a few changes on our official page for Baronial Officers. Elisaid of Ayrshire (Lisa Seckler-Roode) took her maiden voyage as our new Herald at last month's Potted Arms event. If anyone in the Barony can match Suzanne's ability to get us all to Be Quiet and Pay Attention, its Elisaid. In her mundane life, Elisaid works as an Emergency Medical Services tech so we know she's cool under fire. She'll need it to deal with all of us! Our new Exchequer is Vettorio Antonella (Erik Soto). For those of you who don't know it, Lord Vettorio is also our new Baronial Fencing Champion. We always knew this fencer was skilled with a blade, so we are even more blessed to find he's skilled with a balance sheet as well! He's sure to be looking for troll volunteers for future events, so please let him know if you're willing to help. Our incoming Minister of Arts and Sciences is the former Deputy Minister, so she's no stranger to the job. Damiana de Londres (Dina Wolyniec) first joined the SCA back in 1993. Many of you may recognize her as half of the husband wife team that hosts our outdoor Archery and Thrown Weapons practices at their home. Damiana is also a familiar face at the troll booth for many events. As everyone is getting ready for Pennsic, Damiana asks those attending to make note of any Pennsic classes they feel the Barony populace might enjoy. While she has a lot of ideas for her coming term, she welcomes input about what YOU'D like to see. She's also like you to get to know her new Deputy, the Baronial Arts and Sciences Champion, Lord Marcus. Another multi-talented member, Lord Marcus is also currently the Baronial Heavy List Champion.

Arrow, Axes & Ales

October 23rd, 10:00AM-5:00PM

Estonian House, 20 Middle Island Blvd, Middle Island, NY 11953

<https://andub.eastkingdom.org/wordpress/arrows-axes-and-ales-there-and-back-again/>

Come one and all, as we gather our flock to the Ducky Lands of An Dubhaigeainn!

After more than a year's journey we have finally come out the other side. We have all been THERE, and now is the time to start coming BACK AGAIN. Welcome autumn, crisp weather, and seeing friends and loved ones that we have been physically distant from and join the Barony of An Dubhaigheinn for our annual Arrows, Axes and Ales event and championships to be held on October 23, 2021.

While we have been apart, we have not been idle. There are those who spent the time filling our barrels with beverages of choice. There are those who pledged to the Barony, Kingdom, and indeed the Knowne World, that they would have the use of their Axe, their Spear, or their Bow in service and defense of our lands. The time has come to seek out new champions to fulfill these promises once more.

Bring your archery and thrown weapons, and your potent potables (they come in pints!!!) to enter competitions for Baronial champions of Archery, Thrown Weapons, Youth Thrown Weapons, and Brewing. Our current champions have devised interesting, challenging, and fun tourneys for your pleasure and challenge. Any resident of the Barony is eligible to compete to take up the regalia and represent the Barony to the Knowne World, while all others are welcome to compete for prizes and bragging rights.

Although the SCA complies with all applicable laws to ensure the health and safety of our event participants, we cannot eliminate the risk of exposure to infectious diseases during in-person events. By participating in the in-person events of the SCA, you acknowledge and accept the potential risks. You agree to take any additional steps to protect your own health and safety and those under your control as you believe to be necessary.

This event will be held entirely outdoors, rain or shine, other than use of indoor restrooms. We will have plenty of hand sanitizer throughout the event and we will be cleaning high-touch areas frequently. Please bring your own chairs, if possible.

Per Their Majesties request, we require all attendees to wear a face covering over their mouth and nose to safeguard the most vulnerable among us and for the comfort of attendees.

Due to loosening of restrictions from Society and Kingdom, we are now able to offer a light dayboard at the upcoming Arrows, Axes, and Ales event, being held October 23, 2021. There is no change to the event fees for this addition.

While it may be a journey out to Our Fine Feathered Barony we look forward to seeing the faces of those who are ready to take on the AAAventure!

We kindly ask that all attendees submit pre-registration for the event to lessen handling of cash, checks, pens, etc. at Gate. We are offering PayPal pre-registration for your convenience and our shared safety.
